

Communication at PYC

At Penhold Youth Club (PYC), we want to ensure that youth and parents are kept informed about program updates, activities, schedules, and important information. There are several ways to stay connected with us:

1. Phone

PYC Cell Phone: 403-896-5510

- Calls and text messages are welcome.
- Please note that this phone may only be monitored during program hours.

Amanda's Office Phone: 403-886-3269

2. Email

Amanda Lindgren: alindgren@townofpenhold.ca

Email is a great way to reach us with questions, concerns, or requests for additional information.

3. Social Media

Follow the **Penhold Youth Club Facebook Page** for program updates, announcements, reminders, and other important information.

4. Town of Penhold E-News

Sign up for **E-News** through the Town of Penhold website and select the **Penhold Youth Club (PYC)** category to receive relevant updates.

5. Town of Penhold Website

Visit the **Town of Penhold website** and navigate to the **Penhold Youth Club** page for program information, updates, and resources.

We encourage youth and parents to use whichever communication method works best for them and to stay connected so they don't miss important PYC information.
