Yard Waste Compost Bins & RV Sani-Dump Updates

The mild weather we are having right now means we are able to keep both the yard waste bins and the RV Sani-Dump open longer than usual.

As long as the mild temperatures continue, we will be keeping both services open through the end of the month. The final day to use these services will be Sunday November 1, 2026.

Friendly reminder of what goes in the yard waste compost bins:

- Lawn clippings only in lawn clipping bin
- Leaves, small branches (under 1 inch thick & under 4 feet long) in branch bin.

What stays out:

- Apples or other fruit/produce, sod, tree stumps, large branches, animal waste, household garbage.

Thanks for helping keep the bins clean and usable for everyone!

Red Deer County Proposed JCT 42 Development

Residents may have heard discussion regarding proposed development for a data centre at Junction 42 Business Park in Red Deer County. A public hearing related to planning and land use amendments for the project is scheduled for November 17, 2026, at 1:30 p.m. at the Red Deer County Centre.

As the proposed development is located within Red Deer County, decisions regarding planning and development approvals fall under the jurisdiction of Red Deer County Council. Residents who wish to learn more about the proposal or provide feedback are encouraged to participate in the County's public hearing process. More information is available on Red Deer County's website www.rdcountry.ca.
