Celebrating Community, Penhold Style

Fall Festival was an incredible success and a wonderful reflection of the community spirit that makes Penhold such a special place. From our largest parade in more than five years to the tremendous turnout throughout the weekend, it was wonderful to see our community show up in such a big way.

A heartfelt thank you to the many volunteers who generously shared their time, talents and energy to help make Fall Festival possible. Events like this truly take a community, and we are so grateful to all the staff, sponsors and volunteers who helped make the weekend one to remember!

Where Does Your Sump Pump Drain?

With the significant rainfall we've experienced this summer, the Town has seen higher-than-expected sewer volumes — and that has a cost for our entire community. One possible contributor to increased sewer volumes is sump pumps that are connected to, or draining into, the sanitary sewer system.

A sump pump is intended to move groundwater away from your home — that water does not need to be treated as wastewater. When it enters the sanitary sewer, however, it becomes part of Penhold's metered sewer volume and contributes to the amount the Town pays SRD.

When unnecessary water goes down the sewer, we all pay for it. Residents are encouraged to check where their sump pump drains and make sure it is discharging appropriately — not into the sanitary sewer system.

If you need help figuring out if your sump pump discharge is compliant, contact the Operations Department at 403-886-3282 or submit an E-Service Request.

Upcoming Events

Town Council Meetings

Meetings begin at 6:00 p.m. in Council Chambers and via livestream

Monday September 28

Monday October 12

Drop-In Recreation Activities
are offered at the Multiplex for all ages.

Check the recreation calendar on the Town website for information about dates, times, fees, etc.

- Pickleball
- Volleyball
- Basketball
- Badminton

An enhanced recycling program is coming to Alberta!

Starting on October 1, 2026, Albertans will be able to recycle more materials across the province!

- Paper laminates (i.e. coffee cups)
- Flexible plastic and films
- Empty aerosol containers
- Foam packaging
- Glass containers

Learn more:
circularmaterials.ca/AB

Important Note:

There is no change to your recycling pick-up schedule. Starting October 1, 2026 there are additional materials on the list of what may be added to your blue cart.

Garbage / Recycling Calendar is available on the Town of Penhold website.
