Council Corner

Key Notes From October 13, 2026 Council Meeting

Multiplex Report

- Jojo (the Concessionaire) and his team have been hard at work on the weekends and now during the week. They are currently testing the best hours to be open.

Operations

- Effective October 1, additional materials are now accepted in the recycling bin
- Information available through Reporter, Website, & Town Socials.
- The Town owned land at 910 Fleming Ave has been leased to Monarch Earthworks.
- The RV Park closed Oct. 13; another fantastic season in the books!

New Business

- Council approved $5,000 to offset the cost of the fencing around the Dog Park.

Reports from Council Boards & Committees

- The Penhold & District Public Library added three new members to its Board. Welcome to: Michael Scott, Shelia Strychalski, and Mariah Kaminski
- The Parkland Regional Library Services submitted its 2027 Proposed Budget. Council approved the $1.06/per capita increase as presented.

Key Notes From October 26, 2026 Council Meeting

Presentations:

- Mr. Broks from Melcor presented the next subdivision layout for the park area encompassing 3.5 acres of green space. He walked Council through the presentation of the play structures, soccer pitch and how the park will be attractive to future developments. This project is currently underway.

Reports:

- 3rd quarter financial statement; Council appreciates the new format.

CAO

- Data Centre in Red Deer County Open House Nov. 3rd, 4-7 pm and Public Hearing Nov 17 @ 1:30 pm.
- Budget presentations will be Nov 16th
- Growth Strategy Workshop Nov 30th
- Since Oct 13th there have been three more single family home permits pulled, all within Pallisades. To-date there have been 24 single family dwellings
- Tax Sale was cancelled as all accounts have been addressed.
- Inter-municipal Collaborative Framework (ICF) negotiations continue with RD County.

Communty Services

- Programs are running with great opportunities to participate. Check out the Town's website.
- PYC Open House had 50 attendees; lots of interest.
- Community Christmas is coming soon - Nov 20th with the Monarch Christmas Village launch.
- Our All-Net platform is moving to Catalis website. Changes are coming…stay tuned.

Protective Services

- In September there were 17 callouts. 76% rescue EMS responses.
- Ongoing training, responding and maintenance occurred over the month.
- CPO Dolce's appointment has come in; he is now on full active duty.
- Focus continues to be unsightly and dealing with animal responses.
- Continue to work with the consulting group on the development of Penhold's new growth strategy. A draft is anticipated by the end of November.

New Business

- Subdivision report and approval by Council. PUL and MR. Park area.
- Strategic Transportation Infrastructure Program (STIP) was submitted for review and approval. It should be noted, should the Town secure funding, this will need to be revisited by Council for project costing breakout.
- Penhold is participating with Monarch Winter Village with a donation and corporate sponsorship

Reports from Council Boards & Committees

- Bylaw 850/2026 amending the Development and Subdivision Authorities Bylaw; removing director of PCPS as signing authority to CAO now being able to sign.

Respectfully,

Mayor Mike Yargeau

Upcoming Council Meetings:
Monday November 9, 2026 & Monday November 23, 2026

Meetings begin at 6:00 p.m. in person & are livestreamed through the Town of Penhold website.

The Town of Penhold Council Meetings are now being recorded and will be made available for viewing on the Town of Penhold YouTube channel by midweek following each meeting.
The recordings will be available for viewing until the day of next Regular Council Meeting.

School Liaisons:

Jessie Duncan School:Councillor Kranenborg; Alternate – Councillor Cunningham

Penhold Waskasoo Middle School: Councillor Sitter; Alternate – Councillor Denson

Penhold Crossing Secondary School: Councillor Muller; Alternate – Councillor Galisky

OPERATIONS

Snow Removal

Operations Staff make every effort to ensure that the streets are clear of snow and ice during the winter months. Please be patient as we complete this process. Snow plowing and/or removal on streets will be started after a heavy snowfall (15cm) or once accumulations have reached 15cm.

Please remove any driveway curb ramps you have, as they hinder snow removal. The snow removal priority map is available on the Town of Penhold Website. Snow removal may be conducted outside of priorities listed if deemed necessary.

Alleys are not listed as a priority and are maintained as time and conditions permit.

Snow will be windrowed until removal is possible. Where applicable, snow will be windrowed to the side of the street without a sidewalk.

Please use extra care when approaching snow removal equipment as visibility is limited and equipment may stop and/or back up suddenly.

If you are unsure when snow removal is taking place, please call Operations at 403-886-3282. Signs are placed out prior to 4:30pm the day before maintenance begins. Updates to snow removal will also be made available on the Town of Penhold website. You can also receive updates to your email by signing up for the Town E-News.

Lincoln Street Storm Pond

The Lincoln Street Storm Pond is a designated and licensed snow dumping site for the Operations Department. Trucks / equipment are using the site while snow removal is in progress. Please avoid using the area during this time.

Storm Pond Safety

The Storm Pond on Lincoln Street is part of the Town's storm infrastructure and not meant for recreational use. The Penhold Commons Pond Aeration System runs year-round and assists with the natural oxygenation process of the water body to help combat harsh winter conditions. This will result in open water throughout the winter and thin ice. Signs have been placed in the area, but we ask that people stay off this pond as well as all other storm ponds throughout town as water may be flowing underneath the surface and the ice levels are not monitored.

Christmas Lights on Trees on Boulevards

Some residents enjoy decorating trees within the boulevards with lights. This is acceptable; however, we ask that if residents choose to do this, they remove the Christmas lights off the trees prior to March.

Penhold
OPERATIONS DEPT.

SNOW SEASON REMINDERS

The Operations staff make every effort to ensure our streets are clear of snow and ice during the winter months.

Snow plowing and/or removal on streets will be started after a heavy snowfall (15cm) or once accumulations have reached 15cm.

The priority areas are as follows:

1. PRIORITY ONE includes main thoroughfares and bus routes.
2. PRIORITY TWO includes businesses, streets and avenues.
3. PRIORITY THREE includes Closes, Courts and Places. These are cleared once all other major areas are complete.

The Priority Map is available on Town website

Your Input Could Help Shape a Future Playground!

The Town of Penhold is exploring the possibility of adding small playground equipment at either Larne Park or the greenspace at Aspen Close, and we want to hear from area residents!

With limited space available at both locations, the focus would be on a few pieces of play equipment rather than a full playground. Your feedback will help us understand the ages of children in the area and what types of equipment would get the most use.

The survey will be open **until November 15, 2026**, and results will help the Operations Department determine whether playground equipment is feasible, what equipment may be suitable, and which location would best serve the community.

Have your say! Scan the QR code and complete the survey and help us explore the possibilities.

Fire Safety during Winter Storms

Winter storms can happen almost anywhere. They can cause us problems. Know what to do before, during and after a storm. This will help keep you and your family safe from a winter fire.

- Test all smoke alarms. Do this at least once a month. This way you will know they are working. Install carbon monoxide alarms in your home. Test the alarms.
- Plan two ways out of the home in case of an emergency. Clear driveway and front walk of ice and snow. This will provide easy access to your home.
- Make sure your house number can be seen from the street. If you need help, firefighters will be able to find you.
- Be ready in case the power goes out. Have flashlights on hand. Also have battery-powered lighting and fresh batteries. Never use candles.
- Stay aware of winter weather. Listen to the television or radio for updates. Watch for bulletins online.
- Check on neighbors. Check on others who may need help.
- Generators should be used outdoors. Keep them away from windows and doors. Do not run a generator inside your garage, even if the door is open.
- Stay away from downed wires. Report any downed wires to authorities.
- Be ready if the heat stops working. Use extra layers of clothes and blankets to stay warm. If you use an emergency heat source, keep anything that can burn at least 3 feet away.
- Turn portable heaters off when you leave the room. Turn them off when you go to bed.

IMPORTANT REMINDER

There are more home fires in winter than in any other season. Half of all home heating fires happen in December, January and February.

As you stay cozy and warm this winter season, be fire smart!

Fact

Nearly half of all space heater fires involve electric space heaters.

Did you know?
Half of Albertans over the age of 65 are not getting enough nutrition.

So what?

Not getting enough nutrition **increases your chances of getting sick.**

Good nutrition **helps with healing and recovery** if you do get sick.

You **cannot always tell** if someone is getting enough nutrition by looking at them.

What can you do?

This cold and flu season, try the **Nutrition Check-Up for Older Adults (age 55+).**

You will get a personalized report about what's going well and tips to improve your eating habits.

Take the Nutrition Check-Up

Scan the QR code or visit:
