## Penhold Memorial Hall Survey Update

Thank you to the over 200 people who took the time to share your thoughts about Memorial Hall. Survey results are being reviewed and will be presented at the Open House on Monday April 20.

While the survey is now closed, comments about the hall can be submitted to the Town by sending an email to: [info@townofpenhold.ca](mailto:info@townofpenhold.ca)

## Help Keep Penhold Green & Clean

As the snow melts and we get our first real glimpses of spring, we're also discovering... some not-so-lovely surprises left behind on lawns, pathways, and green spaces. We know most dog owners in Penhold are fantastic about picking up after their pets — thank you!

Unfortunately, there are pet owners who have chosen to not clean up after their pets and we're still seeing a significant amount of pet waste around the community, even in areas where pet waste bag dispensers and receptacles are provided.

Pet waste isn't just unpleasant; it can damage lawns, create drainage issues during melt, and pose health risks to people and other pets. Simply put: if your dog drops it, it's your responsibility to pick it up!

Forgot a bag? We've got you covered! Thanks to local businesses, community group and the Town, there are now several combination bag dispenser/receptacle stations located throughout town for anyone who needs a bag, or has a bag to drop off as you walk with your pet.
