Penhold 2026 Mayor's Youth Recognition Award

On behalf of Council, it is my pleasure to congratulate Rylee Ehret, the 2026 Mayor's Youth Award recipient.

This year's recipient is someone who has made a truly meaningful difference through her kindness, dedication, and genuine care for others. Rylee has been an incredible addition to a Grade 1 classroom, joining the class for both semesters as part of her work experience.

She is described as kind, caring, dependable, and always willing to help wherever she is needed. Her positive attitude, patience, and willingness to go above and beyond make her an outstanding role model for the younger students she works closely with.

Rylee's dedication, compassion, and enthusiasm have left a lasting impression, and her contributions have made the school community a better place. She is deeply appreciated and very deserving of recognition for the difference she has made. Congratulations, Rylee!
