Program Cancellations

While we do our best to run PYC as scheduled, programs may occasionally be canceled due to weather or staff shortages. If a cancellation occurs:

1. Schools will be notified and asked to relay the message to youth.
2. Notices will be posted on the PYC and Town of Penhold Facebook pages.
3. Parents will receive an email through E-News (our primary communication tool). We strongly encourage families to sign up via the Town of Penhold website.
4. When possible, a PYC staff member will be on site to notify any youth who may not have received the message. This may not be feasible during severe weather or unsafe travel conditions.

Reminders

Winter Break Notice
PYC will not be running during Winter Break from February 16–20. We look forward to seeing everyone back after the break!
