

Red Deer County & Town of Penhold Open House  
Town Annexation Area & Intermunicipal Development Area

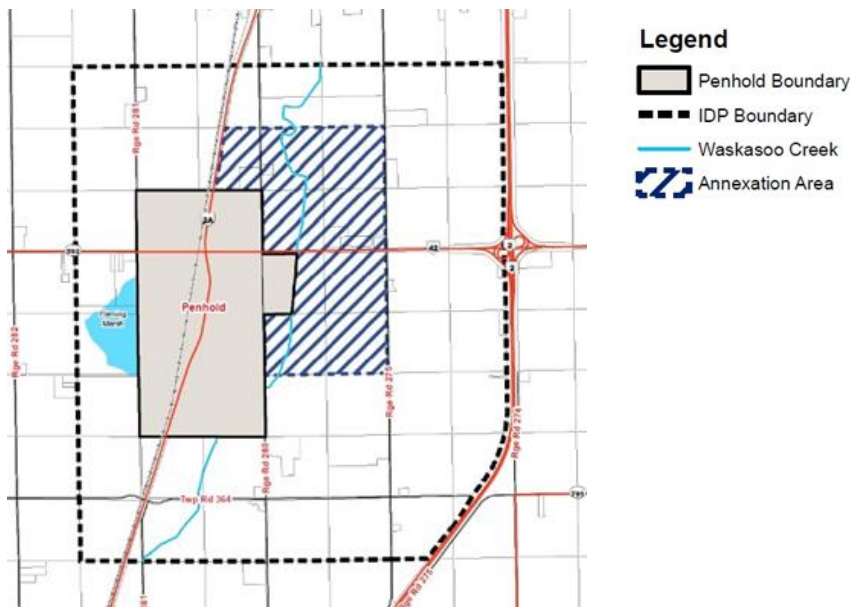

**Wednesday November 23, 2016**  
**5:00 pm – 7:30 pm**  
**Mezzanine Level of the Penhold Multiplex**  
**(#1 Waskasoo Avenue, Penhold)**

The Town of Penhold and Red Deer County invite you to a joint open house to discuss the following items:

1. The Town of Penhold's proposed annexation of land from Red Deer County;
2. The Town of Penhold and Red Deer County Inter-Municipal Development Plan (IDP).

The annexation process will provide the Town the opportunity to expand its boundaries and acquire more land to accommodate future growth and to ensure an adequate supply of land for long-term residential, commercial and industrial development. The lands proposed for annexation would provide for an additional 30 years of growth.

It has also been recognized by both municipalities that there is a need for an Intermunicipal Development Plan (IDP) that recognizes mutual future growth areas to provide direction for future land development within the area immediately surrounding the Town of Penhold.

The Open House will be a drop-in format and both the Town and County staff and representatives will be on hand to answer your questions.
