

Local businesses need your business. Now, more than ever.

5 Ways you can support our local businesses

Get your order to go. There are still local food service providers, and other services, open for business. Order online or by phone for pick-up / delivery.

Shop local businesses online. Local businesses are working hard to find creative ways to meet customer needs. Check for social media accounts and online stores to see their innovative options.

Buy in advance. Do you have a favourite local business? Purchase gift cards for services to use at a later date.

Follow along. Follow local businesses on social media to see all they are offering, leave positive reviews and share their Information with others.

Spread kindness & be thankful. Business owners and staff are risking their own health providing products and services in this unsettling time. Remember to be patient, thankful & kind.
