COUNCIL CORNER

August 11, 2025 Council Meeting

Mr. Stewart Ford presented the concept of erecting historical landmarks depicting the grain elevators along Fleming Ave where they once stood. There will be five images in total providing a brief history of each elevator. Council was delighted with the concept and to see how some of the Town's history is being revived. Mr. Ford will proceed with the project as presented to Council.

Reports:

CAO:

Identified there have been three new home permits pulled out this week.

Discussion is occurring with Melcor to get more multifamily lots in the queue. As of this summer there are no more multifamily lots available.

A listing of the 2025 capital projects was presented to Council outlining the status of work this year. A review of Council's updated directives as well as current projects that will be ongoing into the new council term were reviewed.

2025 municipal elections: as of this report there are 2 candidates who have submitted their nomination package.

Community Services:

There are numerous summer trips being held and planned for. A recent trip to Heritage Park included great conversations with members of the Chinese Immigration Theatre and an Elder who shared knowledge on tipis and medicinal plants.

The summer trips have been thoroughly enjoyed and meaningful according to the kids and parents.

Canada Day Pancake Breakfast was a great success this year.

Fall Festival planning is well underway with many vendors and groups participating. Come out and enjoy the town's biggest event on Sept. 5 and 6.

Fire and Protective Services:

For the month of June there were 57% rescue/Ems calls: 7 % fire and 36% false alarms.

Penhold was successful in obtaining a support grant for medical first response in the amount of \$6,257.

Fire Department received a grant from Firehouse Subs Public Safety Foundation of Canada for turn out gear. The grant was \$53,991.

Cadet Madison Flight was selected by ATCO for the futures fire scholarship.

Municipal enforcement continues with unsightly parcels. Focus keeping Penhold an attractive community. Sports fields, parks and Splash Park are all highly utilized with operations running smoothly for the most part.

Construction on the new Public Service Building is going well. The metal framing has been put up over the past week.

Operations:

Focus on maintenance around town; with roads, parks, spray park, pathways etc.

Upcoming projects to watch for: the final disc golf stations installed; more trees and shrub beds enhanced; Armillary Sphere installation at the Multiplex. Check out the new basketball nets located at Lincoln Rec Outdoor Rink.

Multiplex:

Ice is back in and the facility is once again busy holding summer hockey schools and gymnasium training sessions. For the month there were over 12,072 people who visited the facility.

The Fitness Centre ran a sale for membership and had a good response. The Fitness Centre has been busy throughout summer.

Request for Decisions:

In anticipation of the opening of the new Waskasoo Middle School this fall, a speed reduction has been approved along Waskasoo Ave. The school zone on Waskasoo Avenue will extend to approximately 200 feet south of the Waskasoo Middle School property line which is perpendicular to the Community Hub washrooms.

Parkland Foundation reports were accepted and Council requested that administration reach out to the Foundation to do an analysis for senior support and a potential facility in Penhold.

Bylaws:

Amendment to the Responsible Pet Bylaw was given 3 readings to assist in clarifying the definition of service dogs and identification cards.

Next Council meeting: September 8, 2025

*Respectfully,
Mayor Mike Yargeau*

Upcoming Council Meetings:

Monday September 8, 2025
Monday September 22, 2025

Meetings begin at 6:00 p.m. in person & livestreamed through the Town of Penhold website. The Town of Penhold Council Meetings are now being recorded and will be made available for viewing on the Town of Penhold YouTube channel by midweek following each meeting.

The recordings will be available for viewing until the day of next Regular Council Meeting.

On August 27, 2025 Town of Penhold proudly received another piece of history — the Armillary Sphere.

Donated by Mr. and Mrs. Ford, in celebration of the Town’s 120th anniversary in 2024, the Armillary Sphere is both a work of art and a functional instrument. Designed as a globe-like structure, it acts as a sundial while also displaying the months and days of the year.

Visitors can now enjoy this remarkable piece, manufactured by Lasermann Cuts Ltd., along Waskasoo Avenue just west of the walking paths near the Multiplex.

The Town is deeply grateful for this generous gift and proud to showcase the Armillary Sphere as a lasting symbol of 120 years of history and community.

MUNICIPAL PLANNING COMMISSION VOLUNTEERS NEEDED

ELECTION WORKERS NEEDED

October 2025 Municipal Election

The Town of Penhold is currently seeking workers for the Monday, October 20, 2025, general municipal election.

Selected candidates will be required to manage the election process which includes greeting voters at their assigned voting stations, having strong organizational skills, asking questions of voters, assisting the voting process, and completing the required forms.

Qualifications:

- * 18 years of age or older
- * Available to work ELECTION DAY, Monday, October 20, 2025.
 - Approximate hours are 9:30 AM to 10:30 PM
- * Available to attend an election training session prior to Election Day.

Please provide a letter outlining your experience either by email or drop it by the Town Municipal Offices (upstairs in the Multiplex), at 1 Waskasoo Avenue Penhold, AB T0M 1R0 no later than Thursday, September 15, 2025. For additional details, contact Returning Officer at 403-886-4567 or by email at elections@townofpenhold.ca

OPERATIONS

SUMMER STUDENTS

We would like to say goodbye to the summer students leaving us over the next few weeks. THANKS for all your hard work this summer, we wish you all the best in your future endeavours!!

ANNUAL ROAD AND SIDEWALK REPAIRS

Annual road and sidewalk repairs are slated to occur this fall. Alerts will be sent out when these repairs are scheduled to take place, watch for signage.

Flushing of Water & Sewer Mains

Water and sewer mains are flushed in the spring and fall as part of our regular infrastructure maintenance. Fall flushing is scheduled to commence in the second half of September. More information will be posted on the Town website.

Weed Trimmer Tip

We have noticed that some trees located on the boulevards around Town have been damaged at the base of the trunk. Please use caution when trimming around the trunks of the trees, *keep string short and away* from base of trees, pull weeds by hand closest to trunk if needed.

When the bark of a tree is damaged by weed trimmers, it can severely harm the tree. Bark may appear to be a superficial part of a tree, but it is the tree's skin and protects a sensitive layer just beneath it (where xylem and phloem are located) that transport water/ nutrients throughout the plant.

The outer layer is one of the living parts of a tree, and when it is damaged and stressed, it affects the entire tree's biology. When bark is damaged by cuts or removal of the bark by a weed trimmer or mower, it can lead to short-term problems like decay, creating entry points for fungus, bacteria or insects.

Long-term issues from damage to bark lead to poor health like brittle branches, other structural weaknesses, and eventual death of the tree.

To avoid damage, mulch or rocks are sometimes placed around the base of trees. This can help prevent damage but caution also must be taken. Rocks tend to warm up more in the summer and may affect the temperature around the bark or reflect sunlight onto it. Some trees have more sensitive bark/ roots that absorb this heat/ sunlight and increase risk of sunscald or disease. Landscape fabric slows the amount of rainfall that is able to permeate thru resulting in less moisture and nutrients reaching the sensitive feeder roots at the base of the tree trunk. Too much mulch does the same and creates rot/ suffocation around the trunk flare.

Residents are asked not to place any mulch, landscape fabric or rocks around the base of any trees along the boulevards that belong to the Town.

YARD WASTE BINS

**TEMPORARILY
CLOSED**

AUG. 25 - SEPT. 8

www.townofpenhold.ca

Penhold

As construction of the new Public Services Building continues, groundwork preparation is required before winter. This affects the current location of the compost bins.

- **Monday, August 25** – The compost bins will be **closed and removed**. Town staff will clean up the site, remove signage, and construction crews will fence in the area.
- **Monday, September 8** – The bins will be **reinstalled at a temporary location near the Ball Diamonds** and remain there until the end of the composting season (weather dependent).

We appreciate your understanding and cooperation during this time. These changes are necessary to ensure safety and proper progress on the new build.

No Swimming in Storm Ponds

Swimming is not permitted within the Town storm ponds.

Splash Park

Operations recently relocated the wood BBQ to the splash park for families to use.

Last day of operation is September 8, 2025

Hours of operation Daily 11:00 a.m. to 7:00 p.m.

Thanks for another great year!!!

RV Park

Last day for RV Park will be October 13

Sani Dump will remain open until Thanksgiving weekend, weather dependant.

Street Sweeping

Operation department does a minimum of two thorough street sweeps a year. This means that streets are signed for no parking during the day so that the sweeper can get to the entire area. The Fall Street sweeping will be commencing in September.

FIRE & PROTECTIVE SERVICES

Expanded School Zone Approved Ahead of New Penhold Waskasoo Middle School Opening

In preparation for the opening of the new Waskasoo School this fall, Penhold Town Council has approved an expansion of the school zone on Waskasoo Avenue. The school zone will now extend further south, past the middle school, to provide an added layer of safety for students, families, and drivers traveling through the area.

Community Peace Officers (CPOs) will begin enforcing the expanded school zone on **Tuesday, September 2**, the first day of the 2025–2026 school year.

“Penhold Waskasoo Middle School is an exciting addition to our community, and with it comes the responsibility to ensure our students can travel to and from school safely,” said Penhold Mayor Mike Yargeau.

“Expanding the school zone is an important step in protecting children, giving parents peace of mind, and reminding drivers to slow down and stay alert. Safety must be a top priority as we welcome students into this new school.”

School zones are in effect on school days during the following times:

08:00 – 09:30

11:30 – 13:30

15:00 – 16:30

The Town of Penhold reminds all motorists to pay close attention to posted signs, reduce their speed, and remain vigilant in and around school zones. These efforts will help keep children, families, and staff safe throughout the school year.

Responsible Pet Ownership Bylaw Amendment 840/2025 was passed during the August 14 Council Meeting. This amendment outlines the exemption for service dogs with the addition of section 12.1 "This Bylaw does not apply to a registered service dog with a valid Alberta Service Dog Identification Card".

Complete details can be found on the Town of Penhold website.

Reminder to Pet owners:

Help keep our neighbourhoods clean and enjoyable for everyone by picking up after your pet.

There are dog poop baggie stations located around the Community Hub, Critter's Corner green spaces, and in residential areas along the paths and sidewalks.

Not everyone is comfortable around dogs - big or small

No matter how friendly your dog is, they must be kept on a leash in all areas of Penhold

LEARN 2 SKATE

FOR AGES 3-7
BEGINNER LEVEL CLASSES

\$60
PER PERSON

Penhold

REGISTRATION

Sept. 23 @ 12:00 noon

www.townofpenhold.ca/p/learn-2-skate

**October 2025
to
December 2025**

Monday/Wednesday - 3 class times
Tuesday/Thursday - 2 class times

These classes will aim to develop different skating skills and are intended for children who have no skating experience to some skating experience. The main goal of these classes are to help your child become more comfortable and confident on the ice. Beginner classes will be marked to help distinguish best class options for your child.

IMPORTANT REMINDER FOR AISH RECIPIENTS - DEADLINE SEPTEMBER 5

Update AISH worker about the status of your Disability Tax Credit (DTC) and Canada Disability Benefit (CDB) application(s). If AISH is not updated, benefits may be reduced by \$200/month.

Already applied? Waiting for an appointment or a decision? AISH workers still need to be updated.

Canada Disability Benefit (CDB) and Disability Tax Credit (DTC)

Fact Sheet for AISH Recipients

The Canada Disability Benefit (CDB) launched in June 2025. As noted in the rules for AISH eligibility, Albertans receiving AISH are expected to apply for all income they may be eligible for, including federal programs such as the CDB.

What actions do AISH recipients need to take?

AISH recipients have until Sept. 5, 2025, to update their AISH office or Alberta Supports as to the status of their CDB/DTC application(s).

An update can look like many things, such as:

- Calling Alberta Supports to let them know you've filed your taxes as a first step in applying for the DTC;
- Calling your AISH office to say you have an appointment for the medical assessment for the DTC application;
- Emailing Alberta Supports to say you have submitted your application and are awaiting a decision;
- Visiting your AISH office for help applying for the DTC/CDB and continuing to update them as you work through the application process;
- And more.

AISH recipients who don't apply for the CDB

AISH recipients who do not take steps to access the CDB and update their AISH office/Alberta Supports by Sept. 5th, 2025, may see a reduction in their AISH benefit of an amount equivalent to the CDB (\$200 per month).

What is the Canada Disability Benefit (CDB)?

The CDB is a federal disability benefit program that provides up to \$200 per month to eligible Canadians with disabilities aged 18 to 64.

Learn more [here](#).

Applying for the CDB

To apply for the CDB, AISH recipients need to ensure they file a tax return and apply for the DTC.

They can then fill out the CDB application [here](#).

AISH income and the CDB

The CDB will be treated as non-exempt income for AISH recipients, meaning Albertans on AISH will continue to receive the same overall monthly support that they do today.

What is the Disability Tax Credit (DTC)?

The DTC is a non-refundable tax credit that helps Canadians with severe and prolonged impairments, or their supporting family members, reduce their income tax.

Learn more [here](#).

Applying for the DTC

There are two parts to a DTC application.

1. An applicant needs to fill out part 1 of the application found on the [DTC webpage](#).
2. An applicant needs to ask a medical professional to complete part 2 of the form.

A medical practitioner may charge DTC applicants a fee for completing the medical portion of the application form.

Financial aid for medical assessments

The federal government has committed to reimbursing the cost of medical assessments for the DTC application. Details of the federal reimbursement model have not yet been announced. More information will be shared when it becomes available.

If the upfront cost of the medical assessment is a barrier to applying, contact your AISH office. Alberta's government will cover the medical assessment costs for eligible AISH recipients, which will be repayable to the AISH program upon reimbursement from the federal government.

Supports for accessing federal benefits

Albertans on AISH are encouraged to reach out to their AISH office for help accessing federal disability supports.

There are also other organizations that can help, such as:

- [Voice of Albertans with Disabilities](#)
- [Organizations providing disability benefits navigation services](#)
