REQUEST FOR DECISION

Department: Legislative Services **Submitted by: Bonnie Stearns**

SUBJECT: Approval of the October 26th, Regular Council Meeting Minutes

RECOMMENDATION:
That Council approves the October 26th, 2026, Regular Council Meeting minutes as presented.

CAO COMMENTS:

SUPPORTING DOCUMENTS: **Report/Document: Attached _X_ Available ___ Nil ___**

KEY ISSUE(S)/CONCEPTS DEFINED:

RELEVANT POLICY:
Municipal Government Act Revised Statutes of Alberta, 2000, Chapter M-26, Division 9, Part 6, Section 208 Performance of major administrative duties. 'The chief administrative officer must ensure that the minutes of each council meeting are given to council for adoption at a subsequent council meeting.'

STRATEGIC RELEVANCE:
Following MGA requirements

DESIRED OUTCOME(S):
That the October 26th, 2026, minutes accurately reflect Council's decision and direction at its Regular Meeting.

RESPONSE OPTIONS:
The minutes presented are the unapproved record of the October 26th, 2026, Regular Council Meeting and are presented for adoption, or adoption as amended, by Council.

Minutes were emailed out to Council on Nov. 2, 2026 with no changes at the time of this report.

PREFERRED STRATEGY:
That Council adopts the Oct. 26th, 2026, Regular Council Meeting minutes.

IMPLICATIONS OF RECOMMENDATION:
Permanent management and storage of Minutes.

GENERAL:
Historical; permanent record for future review.

ORGANIZATIONAL:
The Legislative department ensures that the documents are properly handled.

FOLLOW UP ACTION:
The Minutes will be printed, signed by the Mayor and CAO, and placed in a secure location for long term storage.

CAO reviews minutes with management team to determine action items and identify follow up tasks.

Review at regular Manager's Meetings to ensure tasks are being completed.

COMMUNICATION:
The approved minutes will be posted onto the town's website for public viewing.

OTHER COMMENTS:
Minutes for the past several years are available for public viewing on the website.

Presented at the Nov. 9th, 2026, Regular Council Meeting for the Town of Penhold

CAO

Town of Penhold

MAYOR **CAO**

REQUEST FOR DECISION

Department: Corporate Services **Submitted by: Stacey Forth**

SUBJECT: Monthly Accounts for Online Payments on Oct. 22 – Nov. 4, 2026

RECOMMENDATION:
That Council receives the Monthly Accounts for Online Payments on Oct. 22 – Nov. 4, 2026, as presented.

CAO COMMENTS: Payments of interest:
000798-0016 - Green Drop Lawns Ltd. - $10,500 payment towards creating an inventory for the tree canopy.

SUPPORTING DOCUMENTS: **Report/Document: Attached X Available ___ Nil ___**

KEY ISSUE(S)/CONCEPTS DEFINED:

RELEVANT POLICY:
Municipal Government Act, Statutes of Alberta 2000, Chapter M-26 – Section 153 (a) states in part that Councillors have the duty "..... to bring to council's attention anything that would promote the welfare or interests of the municipality".

STRATEGIC RELEVANCE:
The attached list is to keep Council informed and up to date on the financial activities of the Town of Penhold.

DESIRED OUTCOME(S):
Council is aware of the monthly payments.

RESPONSE OPTIONS:
1. That Council defers the Monthly Accounts for Online Payments Oct. 22 – Nov. 4, 2026, back to administration and requests additional information.
2. Clarity on any specific account that is in question.

PREFERRED STRATEGY:
Payment of accounts.

IMPLICATIONS OF RECOMMENDATION:
Payment to vendors.

GENERAL:

ORGANIZATIONAL:
Administration

FINANCIAL:
Based on the account's summary total.

FOLLOW UP ACTION:
Signing, filing of cheques, and online account summary.

COMMUNICATION:
Only to the vendor/payments

OTHER COMMENTS:
The detailed cheque register is information provided to Council only.

Presented at the Nov. 9th Regular Council Meeting for the Town of Penhold

CAO

REQUEST FOR DECISION

Department: Financial Services **Submitted by: Jen Die-Pye**

SUBJECT: Monthly Bank Reconciliation Statement for the month ending Sept. 30, 2026

RECOMMENDATION:
That Council receives the Monthly Bank Reconciliation Statement for the month ending Sept. 30, 2026, as presented.

CAO COMMENTS:

RECOMMENDATION: **Report/Document: Attached _X_ Available ___ Nil ___**

KEY ISSUE(S)/CONCEPTS DEFINED:

RELEVANT POLICY:
Municipal Government Act, Statutes of Alberta 2000, Chapter M-26 – Section 153 (a) states in part that Councillors have the duty "..... to bring to council's attention anything that would promote the welfare or interests of the municipality".

STRATEGIC RELEVANCE:
The attached list is to keep Council informed and up to date on the financial activities of the Town of Penhold.

DESIRED OUTCOME(S):
Council aware of the monthly reconciliations.

RESPONSE OPTIONS:
Clarity on any specific account that is in question.

PREFERRED STRATEGY:
Reconciliation of accounts.

IMPLICATIONS OF RECOMMENDATION:
If accounts do not reflect actual amounts, revisions will need to be made.

GENERAL:

ORGANIZATIONAL:
Administration

FINANCIAL:
Based on the net balance at end of previous month(s).

FOLLOW UP ACTION:
Signing, filing of bank reconciliation summary.

COMMUNICATION:
To ATB and Council.

OTHER COMMENTS:

Presented at the Nov. 9, 2026, Regular Council Meeting for the Town of Penhold

CAO

REQUEST FOR DECISION

Department: Corporate Services **Submitted by:** Tricia Willis

SUBJECT: Investment Statement for the month ending October 31, 2026

RECOMMENDATION:
That Council receives the Investment Statement for the month ending October 31, 2026, as presented.

CAO COMMENTS:

RECOMMENDATION: Report/Document: Attached X Available ___ Nil ___

KEY ISSUE(S)/CONCEPTS DEFINED:

RELEVANT POLICY:
Municipal Government Act, Statutes of Alberta 2000, Chapter M-26 – Section 153 (a) states in part that Councillors have the duty "..... to bring to council's attention anything that would promote the welfare or interests of the municipality".

STRATEGIC RELEVANCE:

The attached list is to keep the Council informed and up-to-date on the financial activities of the Town of Penhold.

DESIRED OUTCOME(S):

RESPONSE OPTIONS:
That Council defers the Investment Statement back to the administration and requests additional information.

PREFERRED STRATEGY:

IMPLICATIONS OF RECOMMENDATION:

GENERAL:
Throughout the year, the Town of Penhold receives revenue from property taxes, grants, user fees, and donations. Funds set aside for specific projects are invested until they are needed so the Town can earn a return. Monthly investment statements report the interest earned and any deposits or withdrawals.

Council will notice an increase in the balance of the High Interest Savings Account (HISA) this fall. The increase is partly due to property tax revenue collected by June 30 to fund operations through 2026 and 2027, and partly due to reserves for planned projects. As we move into Budget deliberations, Administration will review when these funds will be needed and

determine whether some can be invested elsewhere to earn a higher return than the HISA provides.

ORGANIZATIONAL:

FINANCIAL:

FOLLOW-UP ACTION:

COMMUNICATION:

OTHER COMMENTS:

Presented to Penhold Town Council at its regular meeting on November 9, 2026.

CAO

REQUEST FOR DECISION

DEPARTMENT: Administration

SUBMITTED BY: Rick Binnendyk

REPORT: November 9th, 2026

RECOMMENDATION:
That Council receives the CAO's report as information.

COUNCIL FOLLOW-UP/UPCOMING:

- Nov. 10th Remembrance Day Ceremony @ 10:00 am
- November 16th – 2027 Budget presentation
- November 30th – Growth Strategy Workshop
- Dec. 4th Town Christmas Party. Please advise if you and your significant other will attend.
- Check the Council Calendar for upcoming events

Projects:

School: Chinooks Edge:

JUPA

- Discussed inclusion of Waskasoo Middle School within the Joint Use Planning Agreement.
- Reviewed updates required to align the agreement with recent Provincial education changes.
- Requested a notification process for future school sites and land requirements that will support long-term municipal planning. This process may be an attachment.
- Identified ongoing concerns regarding municipal servicing and infrastructure obligations associated with school developments, particularly where the Town has limited control over project requirements (e.g., road upgrades).
- Reaffirmed the importance of ongoing collaboration and long-term planning between the Town and Chinook's Edge School Division.
- We also asked for the contact person via Alberta Infrastructure, so the town can push on the school removal.

Offsite Levies:

In discussion with our Engineering team, we are looking at first meeting with the key developers probably mid-January to allow sufficient time to review the document. Once we receive feedback and incorporate possible changes then the document will be made available to the public for further response.

It is our focus to finalize this new fee structure by spring 2027.

Development items:
Melcor:

- New lots are ready for development. The subdivision has gone through registries and now ready for sale.
- Shallow services are going in now with additional empty conduit for possible rural connect should they wish to connect to residences.
- Park has started and there has been some further dialogue in relation to Atco pipeline additional cover and access for Taqa well site.

Administration:

- Over the past few weeks, there has been a strong focus on our upcoming 2027 budgets.
- Our staff team has reached out to Red Deer County on the status of the ICF capital formula. Hopefully we will have something shortly. They did ask about our upcoming capital costing projects which have been forwarded to their office.
- With the Operations wash bay now working, we have brought our wash service contract to a close as of Dec. 31st.
- Data Centre: Met with Aiden Cathcart on the proposed Data Center located at Junction #42; also attended the Open House on Nov. 3rd. Key take aways:
    - Noise levels will not exceed 22 decimals; less than being beside Highway 2 for noise.
    - Water will be a closed loop system once filled will draw additional cooling from outside vents.
    - Power consumption is less than 7 mw. provided directly from Fortis Power, which is not self-generated. Fortis rep. did speak specifically to power needs and connection.
    - Location will be east of the current Equs shop.
    - 2 closest residents were directly approached by Red Deer County staff and both did not have a concern.

UPCOMING ITEMS OF INTEREST:

- Melcor subdivision work continues for housing and park development
- Continue to push on Intermunicipal Collaborative Framework (ICF) agreements with Red Deer County
- Budgets
- Remembrance Day Ceremony – Nov. 10 @ 10:00 am in the Gymnasium

Presented at the November 9th, 2026, Regular Council Meeting for the Town of Penhold

CAO

REQUEST FOR DECISION

DEPARTMENT: Multiplex

SUBMITTED BY: Michael Szewczuk

REPORT: Month of November

RECOMMENDATION:
That Council accepts the Multiplex Manager's report as information.

COUNCIL FOLLOW-UP:

MONTHLY UPDATE:

Arena – October was the first of our regular months. All the minor hockey associations have started play as well as most of our adult ice times. From here on out our ice schedule is regular.

We have an issue with our hot water tank used for the ice surface. It has failed on us unexpectedly, so we will be replacing it within the next few weeks to ensure that our ice quality remains at a high standard. This however, may drive the arena a little over budget for the year.

Gymnasium – The Gymnasium is getting increasingly busy, and gym times are getting harder for people to access. However, we do maintain a number of drop-in times for Basketball, Volleyball and general gym times that the public can access.

Facility Stats – In October, roughly 21,418 kWh of power was produced with our solar panels reducing our carbon footprint by approx. 14,991 kg; saving us roughly $1927.62 in power.

In October we had roughly 21,563 people pass through the front doors of the building.

Fitness -

	October 2025	October 2026
MEMBERSHIP SALES	$10,667.00	$10,648.25
DROP-INS	$309.00	$824.50
TRAINING	$1,716.75	$1,477.50
DROP IN GYM	$1,105.00	$1,087.00
TOTAL REVENUE	$13,797.75	$14,037.25

A total of **12** fobs were issued for 24-hour members in the month of October.

The Fitness Centre had **44** new members for the month of October.

Staff were able to enjoy the Fitness Centre with a staff challenge through October. 16 staff participated and got active using the equipment, track and attending lunch time classes with Alyssa. All Drop-in activities are doing very well. Class participants participated in a class bingo through the month of October. Fitness Classes running in October were IN The Zone, Hot Beats, Zumba, Pilates Fusion, Early Burn, Baby & Me, Fit Fusion Bootcamp, Pump It Up, Pilates & Strength, Peaceful Yoga, Stretch & Release, Spin & Sweat, Power & Conditioning, and Stretch & Mobility, Pure Strength and Evening Spin.

Coming up in November is a stair climber challenge for fitness members.

Learn to Skate classes brought in $480.00 in October. Classes in November only have 1 spot available and December is almost full.

	October 2026	Totals 2026
Penhold Sr Track Users	7	646
Kids Gym	77	658
Staff Fitness Usage	95	269
Penhold Fire Dept	8	114
Pickle Ball	188	948

The above chart will now be used for tracking information for 2026 year.

UPCOMING ITEMS OF INTEREST:

Remembrance Day Ceremony Gymnasium November 10

Facility Closed November 11

Hockey Tournament November 13 - 15

Community Christmas November 20

CAO COMMENTS:

Presented at the November 9, 2026 Regular Council Meeting for the Town of Penhold

CAO

REQUEST FOR DECISION

DEPARTMENT: Operations

SUBMITTED BY: Brandon Kowalchuk

REPORT: Month of October 2026

RECOMMENDATION: That Council accepts the Operations report as information.

COUNCIL FOLLOW-UP:

- Sewer Odours on Waskasoo & 42
    - Seasonal odour conditions in the vicinity of the lift station are typically more pronounced during the fall due to reduced wastewater flows, increased retention times within the collection system, and atmospheric conditions that limit the dispersion of sewer gases. These factors can contribute to elevated concentrations of hydrogen sulfide and other naturally occurring sewer gases, resulting in a heightened perception of odours in areas adjacent to lift stations and downstream sanitary sewer infrastructure.
      The lift station in question is an SRD lift station. Additional treatment is done based on levels of odour and time expectancy.

MONTHLY UPDATE:

WATER:

- Water consumption as of October 31 was 26,029 m^3, 4% higher than the same period in 2025.
- Monthly water meter readings were completed October 14.
- Currently, 47% of residents are enrolled in e-billing.
- Four new water meters were installed.
- Annual pump inspections and generator testing were completed with Sterling at the reservoirs.
- Oxford Reservoir make-up air unit developed an issue, and a tech was out to site to inspect it and is awaiting quotation for the repair.

SEWER:

- As of September 30, sewer flows were 21,797 m^3, 8% lower than the same period in 2025.
- The Sani Dump recorded 61 token purchases during October. Annual pump inspections were completed at lift stations, and Lincoln Lift Station maintenance was completed.

- Treatment Product on pallets were delivered and unloaded at PLS #4 using the compact wheel loader.

TRANSPORTATION:

- Street sweeping was completed throughout the community October 20 to 30
- Grader and Harley rake work was completed in alleys.
- Preparation of the Lease-tenant building and fence repairs were being carried out at 910 Fleming Avenue.
- Using the Slip Tank in #9 Generators were topped up with fuel in prep for winter.
- **Maintenance of Equipment:**
    - Tires Changed on Command 1
    - CVIP's completed on various Trucks & Trailers
    - #12 Tires were replaced
    - Sander installed and prepped in #20
    - V-Blade was installed on the enclosed cab Tractor and orientation given to staff by Brandt

STORM:

- The Tranquility Park fountain was removed for the season.
- Culverts throughout the community were marked in preparation for winter operations.
- Lincoln Lift station Pumps had their annual maintenance performed by Sterling

PARKS & RECREATION:

- **Sports Fields**
    - Ball diamond shale work was completed.
    - Rec Centre was rented out for a private function

- **Parks**
    - Snow fencing was installed at Mt. Penhold and along the Oxford walking path.
    - Planters were removed for the season, rain totes were winterized and greenhouse materials were relocated for winter storage.
    - Park garbage collection, dog-waste receptacle servicing, mowing, pruning, mulching and pathway maintenance were completed throughout October.
    - Pathway Solar Lights were cleaned off
    - The Splash Park and dock area were winterized and closed for the season.

MEMORIAL HALL:

- Memorial Hall had five bookings in October, with two additional bookings scheduled for November and two user groups.
- Met with Hall Caretaker and is interested in carrying on into the 2027 year where bookings are still being made.

GARBAGE:

- Garbage totes were delivered to new residents as required.
- Tote repairs and maintenance activities were completed when required.
- Bin containments were built at the Multiplex for the waste bins, RV Park and Memorial Hall are to be completed as well.

RV Park:

- The RV Park recorded 16 bookings during October with occupancy averaging 14 occupied sites per night over the 13 Days.
- The RV Park was closed for the season on October 13, and a season debrief meeting was held October 14. Lots of positive feedback was relayed from the caretakers over the season. They have expressed interest in returning for the 2027 season to be the caretakers again.
- The RV Park and Washhouse were winterized October 22.
- RV Park fencing and post installation along pathway began after park closure.

ORGANIZATIONAL:

- Leadership training was completed on October 20 by the Leadership group.
- Interviews were conducted and a candidate selected for the Operations General Operator position. They will start November 16th.
- 3 Operators attended AWWOA Water Week in Edmonton October 27-30.

UPCOMING ITEMS OF INTEREST:

- Community Christmas preparation
- Winter equipment preparation
- Outdoor Rink preparation - weather dependent
- New staff member starting November 16th.

CAO

REQUEST FOR DECISION

Department: Multiplex **Submitted by: Michael Szewczuk**

SUBJECT: All Year Ice Proposal

RECOMMENDATION:
That Council approve a one-year pilot project to maintain arena ice year-round;
AND FURTHER THAT Administration track costs, maintenance requirements, facility use, and revenues during the pilot period to evaluate the feasibility and cost recovery of summer ice operations.

CAO COMMENTS:
In discussion with the Multiplex Manager it was suggested that we keep this facility busy year round.

SUPPORTING DOCUMENTS: **Report/Document: Attached ___ Available ___ Nil ___**

KEY ISSUE(S)/CONCEPTS DEFINED:

RELEVANT POLICY:
Municipal Government Act, Statutes of Alberta 2000, Chapter M-26 – Section 153 (a) states in part that Councillors have the duty "..... to bring to council's attention anything that would promote the welfare or interests of the municipality".

STRATEGIC RELEVANCE:
The trial provides an opportunity to gather operational and financial data before considering any long-term change to facility operations.

DESIRED OUTCOME(S):
To evaluate the feasibility and benefits of maintaining arena ice year-round in order to maximize facility utilization, identify operational efficiencies, generate additional revenue opportunities, and provide Council with data-driven information to support future decision-making regarding long-term arena operations.

RESPONSE OPTIONS:
1. Maintain Current Practice To take the ice out as planned the first week of June
2. Defer to Administration and request more information (please specify)

GENERAL:
Proposed One-Year Trial: Maintaining Arena Ice Year-Round

Background
During discussions with arena operators and facility managers from across Alberta, staff learned that several facilities in other jurisdictions, including a number of arenas in the United States,

successfully maintain their ice surfaces year-round rather than removing and reinstalling ice annually. These conversations prompted staff to explore whether a similar approach could provide operational and financial benefits for the Penhold Multiplex.
Administration believes a one-year trial would allow the Town to evaluate the impacts, benefits, costs, and potential savings associated with maintaining the ice surface continuously while ensuring service levels and facility operations remain unaffected.

Facility Operations
Historically, the ice surface has been removed during June to accommodate maintenance activities and occasional non-ice events. However, over the last six years, only one event has required use of the arena floor during the period when the ice was removed. Event organizers have indicated they would be willing to utilize alternative spaces within the facility, such as the gymnasium, meaning the continuation of summer events would not be negatively impacted.
The annual removal and reinstallation of ice is a labour-intensive process. Ice removal, thawing, and preparation of the arena floor typically requires approximately three days of staff time before regular maintenance work can begin. Reinstallation of the ice surface is also resource-intensive and often requires staff to work early morning or late evening shifts to compensate for warm summer temperatures. Maintaining existing ice is significantly less demanding and places less stress on the refrigeration system than rebuilding an entirely new ice surface.
The proposed trial would also allow the facility to avoid challenges associated with summer ice installation. Staff have consistently found that while the refrigeration plant may struggle to create new ice during periods of extreme summer heat, it is generally capable of maintaining an existing ice surface without issue.

Maintenance Considerations
Annual servicing of the Olympia ice resurfacer is typically scheduled during the summer shutdown period. This maintenance could be moved to the fall or winter months when service providers are less busy. The servicing contractor provides a loaner resurfacer, ensuring operations would not be interrupted while the unit is undergoing maintenance.
Similarly, scheduled maintenance of the refrigeration plant can still be completed while maintaining ice. The facility's equipment configuration allows one compressor to be isolated and serviced while the second compressor remains operational. Additional measures, such as utilizing the facility's ventilation systems, can further support ice maintenance during winter servicing periods if required.
While maintaining the ice year-round would require some adjustments to maintenance scheduling, staff do not anticipate significant impacts. Projects such as painting locker rooms, hallways, and other facility areas could continue to be completed during non-peak hours or through phased closures rather than relying on a full summer shutdown.

Financial Considerations
Review of utility consumption indicates that electrical use generally decreases when the refrigeration plant is shut down in June and increases during July and August when ice is rebuilt. However, year-over-year consumption patterns are heavily influenced by weather conditions, making the actual savings from removing the ice less significant than expected.
The primary financial benefit of maintaining the ice year-round is the opportunity to generate additional revenue during a period when no other Central Alberta facilities currently offer ice availability.

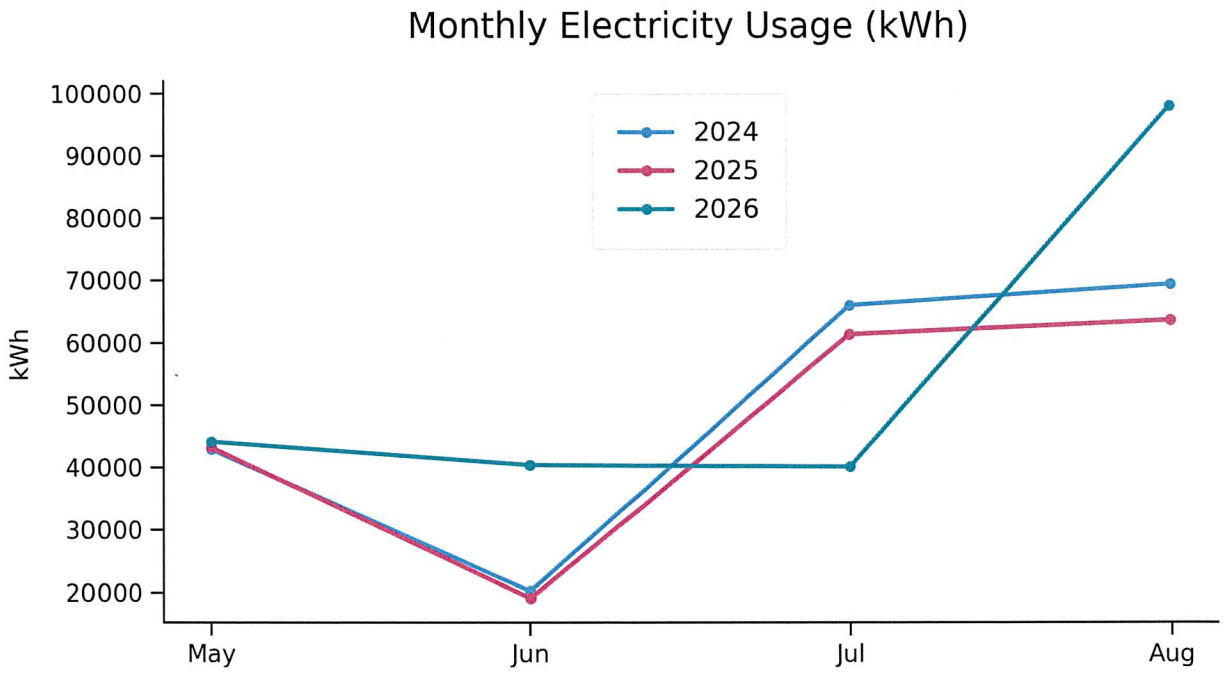

Under a conservative scenario, if the Town were to rent only 10 hours of ice per week during the approximately six weeks the arena would normally be without ice, the facility could generate approximately **$2,000 per week**, or **$12,000 in additional annual revenue**. Staff believe this estimate is conservative and that demand could easy exceed 10 hours per week given the limited regional availability of summer ice.

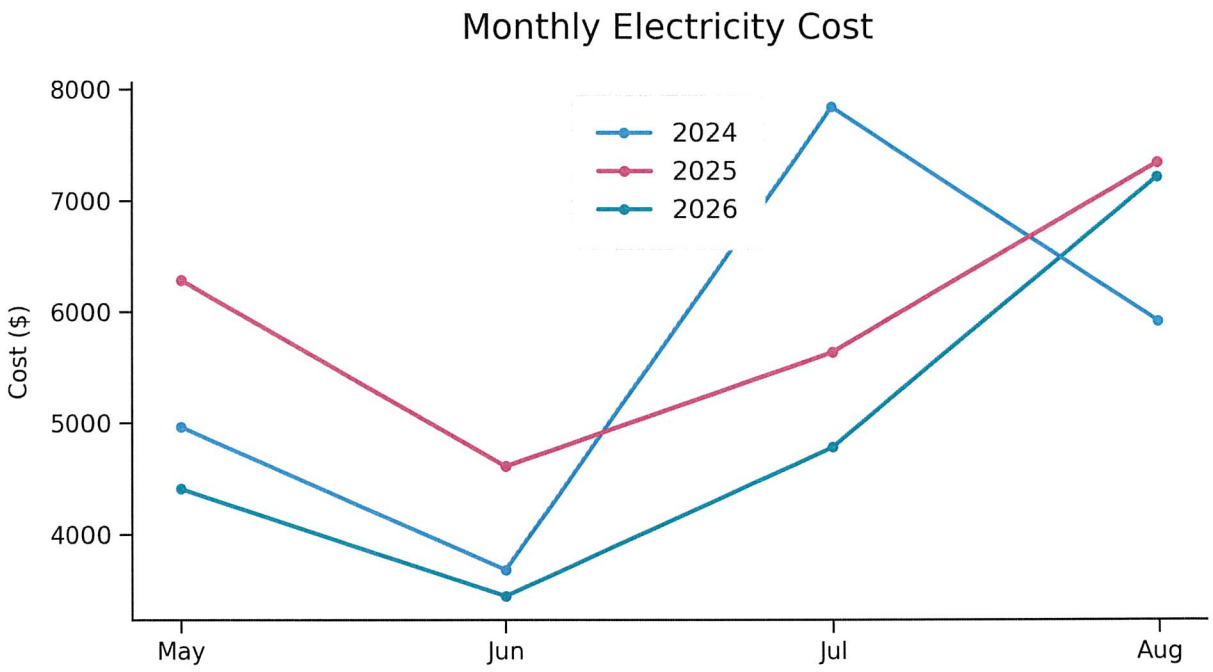

Staffing costs will not see increased hours, as the facility maintains consistent staffing levels throughout the year. Our team will require focused scheduling to ensure work focuses still gets done.

In addition, the Town would avoid annual costs associated with rebuilding the ice surface, including ice paint and line kits, which currently total approximately **$2,500 annually** and are expected to increase over time.

An expected additional cost of roughly **$2,500** in additional electricity costs would be expected in June.

In the following graphs, May is our last month of full ice, June is our only month without ice, July we start the plant and August is our first full month of ice.

Summary

A one-year trial of maintaining ice year-round offers the potential to:

- Generate additional rental revenue during June when ice is traditionally unavailable.
- Eliminate annual ice installation costs estimated at approximately $2,500.
- Reduce staff labour associated with removing and reinstalling the ice surface.
- Minimize stress on the refrigeration plant associated with creating a new ice surface during summer heat.
- Continue regular facility maintenance through adjusted scheduling and phased work plans.
- Increase in annual electricity consumption.
- Meet potential demand for summer ice in a region where little to no comparable ice availability currently exists.

FINANCIAL:

Potential of additional $ 10,000 plus in revenues for ice use and bring outside users into Penhold for possible business catchment.

COMMUNICATION:

Inform Ice Users of a new opportunity.

Presented at the Nov. 9th, 2026, Regular Council Meeting for the Town of Penhold

CAO

REQUEST FOR DECISION

Department: Operations **Submitted by: Brandon Kowalchuk**

SUBJECT: Range Road 275 – Red Deer County Maintenance Amending Agreement (2027–2030)

RECOMMENDATION:
That Council approve proceeding with extending the Agreement with Red Deer County for maintenance along Range Road 275, one mile north and one mile south of Highway 42, within the Towns boundaries from January 1, 2027, to December 31, 2030, at the annual maintenance fee of $6,024.00.
AND FURTHER this agreement is subject to changes permitted under the agreement costing provision.

CAO COMMENTS: This agreement was created following the annexation to address maintenance responsibilities for a road that is primarily located within the County, with only a small portion within the Town's ownership. The County continues to maintain the entire roadway and charges the Town its proportional share of maintenance costs based on the length of road within Town boundaries. This allows maintenance consistency for the full road structure.

SUPPORTING DOCUMENTS: Attached: AMENDING AGREEMENT RR 275 Town of Penhold.pdf; Penhold Maintenance Calculations.pdf.

KEY ISSUE(S)/CONCEPTS DEFINED:
Red Deer County proposes replacing the current annual maintenance fee of $5,384.00 with a flat annual fee of $6,024.00. The proposed four-year period aligns with the County's grader contracts. Updated grader rates and a change from a three-year to a four-year re-gravel cycle underpin the revised cost.

RELEVANT POLICY:
The 2017 Memorandum of Agreement regarding Range Road 275, with a term commencing January 1, 2018, and the proposed amendment to paragraph 6 effective January 1, 2027. The draft states that all other terms of the Original Agreement remain in force.

STRATEGIC RELEVANCE:
Support coordinated road maintenance and predictable operating costs through an intermunicipal agreement.

DESIRED OUTCOME(S):
Finalize the amendment to maintain RR 275 service continuity and establish the proposed annual fee for 2027–2030.

RESPONSE OPTIONS:
1. Approve proceeding with the amendment (recommended).
2. Direct Administration to seek revised terms from Red Deer County.
3. Have the town start maintaining the roadway within our boundaries.

PREFERRED STRATEGY:
Proceed with the proposed four-year arrangement and $6,024.00 annual fee.

IMPLICATIONS OF RECOMMENDATION:

FINANCIAL:
The fee increased by $640.00, or 11.89%, from $5,384.00 to $6,024.00 over the past 5 years.

GENERAL:
The County's calculation sheet identifies annual grading and plowing costs of $6,514 and annualized re-gravel costs of $5,533, for a combined estimated annual cost of $12,047 and a rounded 50% Town share of $6,024. The sheet identifies a 3.2 km maintenance length.
The County advises that grader rates were recently updated and its Council changed re-gravel service from a three-year to a four-year cycle. The proposed agreement period aligns with the County's grader contracts.

The draft requires the County to maintain RR 275 at its current service levels until any portion is upgraded to an asphalt roadway. It provides for annual payment by January 31 upon invoice, with a special provision making the 2027 fee payable within 30 days of execution.

The draft allows earlier fee changes if applicable County service levels change. If a revised fee cannot be agreed, it provides for invoicing the Town for 50% of actual service costs of the town's road instead of the lump-sum fee. The fee-review year requires clarification before execution.

FOLLOW UP ACTION:
If approved, Administration will confirm the four-year period, resolve the fee-review and 2027 payment wording with Red Deer County, obtain the final agreement for execution, arrange signatures, and coordinate invoicing and budget provision.

OTHER COMMENTS:
This aligns with the Original Agreement and intent.

Presented at the November 9, 2026, Regular Council Meeting for the Town of Penhold

CAO

AMENDING AGREEMENT made effective this ___ day of _____,2026
BETWEEN:

RED DEER COUNTY
a municipality incorporated under the laws of Alberta
(hereinafter referred to as the "County")

- and -

TOWN OF PENHOLD
a municipality incorporated under the laws of Alberta
(hereinafter referred to as the "Town")

WHERAS the County and the Town entered into a Memorandum of Agreement in 2017 regarding Range Road 275 with a term commencing January 1, 2018 (the "Original Agreement").

AND WHEREAS the County and the Town wish to amend the Original Agreement to provide for the continuation of the Agreement on the terms and subject to the conditions hereinafter set forth.

NOW THEREFORE THIS AGREEMENT WITHNESSETH that the parties hereto in consideration of the mutual covenants and agreements hereinafter set forth covenant and agree with each other as follows:

1. Paragraph 6 shall be deleted and replaced as of January 1, 2027 (the "Effective Date") with wording as follows:

> "The County agrees to maintain and provide services for Range Road 275 based on their current levels of service until such time as any portion of Range Road 275 is upgraded to an asphalt roadway. Commencing on the Effective Date, the Town agrees to compensate the County for their annual operating costs related to Range Road 275 in the annual sum of $6,024.00 (the "Annual Fee"). The Annual Fee is payable by the Town on or before January 31st of each remaining year of the term upon being invoiced by the County for such amount, provided that the Annual Fee

for 2027 will be payable within thirty (30) days of the execution of this Amending Agreement.

The Parties agree prior to the end of 2030 to renegotiate the amount of the Annual Fee for the 2031 year, and further agree that such sum is subject to change in any earlier year in the event of any change to County service levels applicable to Range Road 275. Should the Parties not be able to agree on a revised Annual Fee for 2030 for in the case of any service level change, the Town agrees to compensate the County for their annual operating costs related to Range Road 275 upon being invoiced by the County for fifty percent (50%) of the actual costs of providing services in place of any such lump sum fee."

2. Except as otherwise set out in this amending Agreement, the Original Agreement shall remain in full force and effect and binding in accordance with its terms.

IN WITNESS HEREOF the County and the Town have executed this Amending Agreement effective as of the day and year first written above.

ABOUT US

The Daines Ranch Pro Rodeo is built on tradition, western heritage, and the enduring spirit of community. For over six decades, our family, friends, and neighbours have come together to celebrate the sport of rodeo and give fans an authentic experience unlike anywhere else. Just minutes from town, but far from the bustle of the city, the Daines Ranch offers families and friends a place to gather, celebrate our western roots, and experience rodeo the way it was meant to be.

We are incredibly proud that the Daines Ranch Pro Rodeo has been recognized as Committee of the Year four times since 2021, a reflection of the dedication, hard work, and heart that our volunteers and community bring to every performance. **Your sponsorship helps make all of this possible.**

Operating without government funding, we rely on the generosity of our sponsors, volunteers, and community partners to bring the rodeo to life each year. That support reaches well beyond the arena. In recognition of the local groups that volunteer their time during rodeo weekend, we proudly give back to community organizations whose members help make the event possible.

Led by a dedicated volunteer committee including Stephanie Aschenbrenner, Cheyenne Klassen, Emily Leggette, Amy Tyrkalo, Wyatt Daines, Kyle Daines, Rayel Gale, Mitchell Gale, and Lindsay Stewart, the Daines Ranch Pro Rodeo remains a true labour of love and a celebration of everything that makes rural Alberta special.

With your partnership, we can continue to share the rodeo way of life, give back to our community, and ensure this tradition continues for generations to come.

REQUEST FOR DECISION

Department: Operations **Submitted by: Brandon Kowalchuk**

SUBJECT: Penhold RV Park – Booking Fee and Optional Site Lock Fee

RECOMMENDATION:
That Council maintains the current fee structure for the 2027 season.

CAO COMMENTS:

SUPPORTING DOCUMENTS: Penhold RV Park Booking Fee & Site Lock Fee Information

KEY ISSUE(S)/CONCEPTS DEFINED:
The Penhold RV Park currently utilizes a standard booking fee and an optional site lock fee through the Campspot reservation platform. The site lock fee is a voluntary service that allows guests to guarantee a specific campsite at the time of booking. Guests who choose not to purchase site lock may still request a preferred site; however, the campground reserves the flexibility to move reservations as operational requirements dictate to obtain maximum occupancy options.

The booking fee contributes to the costs associated with the Campspot reservation platform, including online reservation services, website operation, and marketing exposure through Campspot's campground network. The optional site lock fee provides guests with the ability to guarantee a specific campsite at the time of booking.

In review of the Town's 2026 booking data, it identifies that 210 customers voluntarily selected the site lock option, demonstrating use of the service by campers who value a guaranteed campsite. In discussion with the caretakers and administrative staff, there have not been any concerns raised regarding this option.

Through this review process, it was found that the current site lock fee is consistent with industry practices on the Campspot platform that serves numerous campgrounds across North America. This site lock provides the best options for campgrounds to maximize their site usage throughout the season.

The site-lock fee is optional; it is not required to complete a reservation. Guests retain the ability to book campsites without purchasing the site lock service.

RELEVANT POLICY:
The Town's campground fee structure is established through Council-approved policy directives.

STRATEGIC RELEVANCE:
Balance affordable municipal camping with optimal financial return.

DESIRED OUTCOME(S):
Maintaining the current booking fee and optional site lock fee supports the Town's objective of providing a well-managed, financially sustainable recreational amenity while continuing to deliver flexibility and choice for campers. The optional site lock feature enhances the customer experience by allowing guests to guarantee a preferred campsite, while ensuring campers who do not require this service can continue to reserve sites without purchasing the option.

RESPONSE OPTIONS:
1. Retain $10 booking / $10 optional lock:
2. Move to a fee reduction.
3. Remove the optional site lock fee and discontinue the site guarantee service. Campers would continue to make reservations but could no longer guarantee a specific campsite at the time of booking; all site assignments would remain subject to operational requirements and availability.

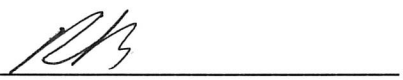

PREFERRED STRATEGY:
Maintain the current booking fee and optional site lock fee.

IMPLICATIONS OF RECOMMENDATION:
This past year was a success, highlighted by satisfied customers and positive camping experiences.

FINANCIAL:
Campspot provides online booking, reservation management, website support, and marketing exposure through its campground network. There are operating costs associated with this booking platform, however evaluating it, it is competitively priced and offers comparable functionality and market reach to other leading reservation systems.

OTHER COMMENTS:
Prior to the site lock fee, the town experienced ongoing problems with some campers who demanded specific sites and moving campers around.

Presented at the November 9, 2026, Regular Council Meeting for the Town of Penhold

CAO

REQUEST FOR DECISION

Department: Legislative Services **Submitted by: Bonnie Stearns**

SUBJECT: Council Correspondence

RECOMMENDATION:
That Council receives the correspondence for information as presented.

CAO COMMENTS:

SUPPORTING DOCUMENTS: **Report/Document: Attached _X_ Available __ Nil __**

KEY ISSUE(S)/CONCEPTS DEFINED:
This listing identifies correspondence either attached or emailed to Council for review.

ATTACHED:
Nov. 3 Dental At Home (email sent as well)

RELEVANT POLICY:
Municipal Government Act, Statutes of Alberta 2000, Chapter M-26 – Section 201 (a) states in part that Councillors have the role of "….. Developing and evaluating the policies and programs of the municipality".

STRATEGIC RELEVANCE:
Keeping Council informed on current related events.

DESIRED OUTCOME(S):
That Council is aware of information that either impacts the Town of Penhold directly or provides information of interest.

RESPONSE OPTIONS:

1. Council may wish to have something further investigated; this matter will be moved for further administrative review.
2. Council may wish to act on something and move the item for action.
3. Council may wish to move the items as information.

PREFERRED STRATEGY:
Determined upon response.

IMPLICATIONS OF RECOMMENDATION:
No further action on correspondence.

GENERAL:
The information shared with Council can have a direct impact on Penhold or provide information beneficial to Penhold.

ORGANIZATIONAL:
Legislative department receives and forwards relevant information to Council.

FINANCIAL:
No cost unless directive taken

FOLLOW UP ACTION:
As determined by Council.

COMMUNICATION:
May be directed to specific departments if potential impacts.

OTHER COMMENTS:

Presented at the Nov. 9th, 2026, Regular Council Meeting for the Town of Penhold

DENTAL AT HOME

MOBILE DENTAL HYGIENE · WE COME TO YOU

Prepared for the Town of Penhold Council and Administration

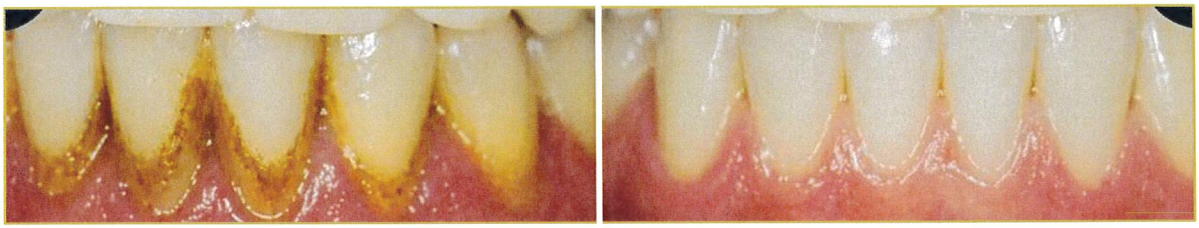

Regular dental care days for Penhold

Penhold has a dental clinic in town, and Dental At Home is not here to replace it. We are here for the people a fixed clinic cannot reach: homebound seniors, seniors in their own homes who no longer drive, and families who cannot get an appointment that fits work and farm life. Dental At Home proposes recurring care days in Penhold, hosted at the Penhold Regional Multiplex, a big, wheelchair accessible public space. Our team sets up there and provides full dental care through the day, returning on a regular rhythm so residents see Hannah, the same clinician, at every visit.

Hannah, your hygienist

BEFORE AFTER

The difference one visit makes.

WHAT A VISIT INCLUDES

Every visit is a complete appointment: a full check of the teeth and gums and a full cleaning, with an oral health assessment and oral cancer screening, scaling, polish, and fluoride. Where a tooth needs steadying, temporary fillings and restorative treatments are provided the same day. Silver diamine fluoride can hold early decay where appropriate. Every patient also receives full size professional products for daily care at home, not samples.

CARE FOR ALL AGES, CLOSE TO HOME

Care is for adults and children together: town families, seniors in their own homes, and the farm households of Red Deer County around Penhold. Anyone who prefers can be seen at home or on the farm, booked around chores and field work. We bill insurance directly, including the Canadian Dental Care Plan, Alberta Blue Cross, and private plans. Hosting costs the Town nothing at all, there is no mobile fee, fees are below the Alberta dental fee guide, and every cost is confirmed in full before care begins.

FEES, BILLING, AND BOOKING

Our fees are below the Alberta dental fee guide, and we bill insurance directly at no extra cost, including the Canadian Dental Care Plan, Alberta Blue Cross, and private plans. There is no mobile fee, and there is no charge to the host organization at all. Every cost is confirmed in full before anything begins. Dental At Home opens in January 2027, and care days can be pre-booked now.
